MEMORANDUM FOR: Chief, DPD

25X1A9a

ATTENTION :

SUBJECT : Psychological Assessments, August 1961

1. Attached are a set of ratings with comments on the two groups of candidates examined in August 1961. Also attached are summary statements of each candidate's attitude toward the type of occupation for which this assessment was conducted.

2. These ratings represent the principal psychological criteria which were considered in arriving at the final "general suitability" rating. The criteria may be regarded as increasing in significance from I to IX.
